Welcome

"As President I would like to tell you about the benefits of joining Hollywood Chamber of Commerce.

"Our aim is to forge partnerships with private and public sector groups and organisations to improve Hollywood's retail, environmental, culture and leisure facilities for retailers, residents and visitors alike.

"We act as lobbyists, articulating members' concerns to other relevant parties. Twelve members of the Chamber make up the Board that meets every month to progress Hollywood issues. Every member is invited to attend the Annual General Meeting, which is held each May."

Neil Kirkpatrick, floralearth

"On a local basis, by joining the Chamber of Commerce, you will be able to extend your networking opportunities amongst Hollywood businesses. The Chamber will also act on your behalf on matters regarding local and central government policies and decisions.

"In the coming year we will press forward on a number of specific projects and lobby for a variety of improvements that will enhance the branding and perception of Hollywood, including:

- The introduction of phase one of a CCTV system
- Nurturing the links between Hollywood Exchange and the town centre,
- Promoting the redevelopment of Patton's Lane,
- The beginning of a long term public art project entitled the "Hollywood Walk of Art"
- A organic food and regional craft fair held on the last Saturday of every summer month in Hibernia Street

"We are sure that membership of the Chamber will give you the opportunity to win more business and enhance your profitability.

"As a member of the Hollywood Chamber you will enjoy access to the Northern Ireland Chamber of Commerce and Industry, which offers a wide range of services to improve the effectiveness and, ultimately, the profitability of all businesses."
